

part of March. I have a notation in that little diary of mine in March, just the letters N. B.; when I went to New Brunswick that's all I put down.

BY MR. PALZER:

Q Were you alone then or with Mrs. Stevens?

A I think I went to the dentist's and I think I went alone; whether I went by car or by train I am not sure but I imagine I went by train. I almost always did. I very seldom drove to New Brunswick unless I had something to bring back from there; I never had anything to take up there, but sometimes I would go up and get things from my mother's house. You see we divided up a lot of furniture and things of that kind when my mother died in 1919 and of course we divided up a lot of furniture and things and the few things that I wanted to take down to Lavalette with me I would sometimes drive up and get them; but that was not very often.

BY MR. STUDER:

Q When did you last see Mrs. Hall before then?

A The last time I saw Mrs. Hall was on June the 23d of that ~~sae~~ year; I am almost positive it was the 23d day of June.

MR. PFEIFFER: That's what you told me four
